

Our tailored solutions seamlessly harmonize with the brewery setting, making GoTab the preferred choice for operators nationwide. Whether you're serving patrons in the taproom, on the patio, or collaborating with food trucks, GoTab's Brewery POS empowers you to optimize every interaction. Built by brewery operators, our flexible platform, diverse suite of POS hardware, integration capabilities, and open API provide the ability to curate extraordinary brewery experiences.

Ordering Excellence

From seamless mobile ordering featuring shared tab options to frictionless reorders, we enhance every facet of their visit.

Boost Your Bottom Line

Reduce lines and wait times and increase average check size.

Smarter Staffing

Take more orders with fewer steps with the Pocket POS. Add on-premise QR ordering for maximum flexibility.

Guest-Centric Solutions to Power Your Brewery

Exceptional customer experiences are at the heart of every successful brewery. That's why we've crafted a suite of brewery POS solutions tailored to enhance every aspect of your guest experience. With GoTab, you can redefine the guest experience, and set a new standard for brewery service excellence.

Easy Tab

Easy Tab is the tab that travels with your guest. It's the simpler way to introduce your guests to ordering, splitting, and settling checks on their own device. Easy Tab lets you introduce mobile ordering on-premise, guiding them in the benefits of using their device to place orders.

Save Your Team Time

Guest- and staff-friendly, our intuitive platform enhances service and efficiency, making operations virtually hassle-free. Features like text notifications on fulfillment keep guests informed, ensuring a smooth process for both staff and patrons.

Show Guest Appreciation

We give you the tools to connect with your guests anywhere, anytime. Build repeat visits and attract new guests with special clubs, two-way communication, email marketing, and SMS. Leverage Notice announcements or email marketing integrations to engage with subscribers and build lasting connections.

Manage Everything on the Go

With the GoTab Manager App, available for free in the App Store and Google Play, you can make last-minute shift changes, update menus, manage inventory, communicate with guests, all in real-time.
