

We help fine dining restaurants redefine the essence of exceptional guest experiences. Our comprehensive suite of restaurant POS solutions, encompassing cutting-edge tools such as our Kitchen Display System (KDS) and Pocket POS, seamlessly integrates into the fabric of your establishment. The result is a dynamic environment where every facet of service is meticulously optimized to elevate the dining experience for your esteemed guests.

Guest-Centric Technology

From seamless payment options to private menus, shared tabs, and real-time communication, our platform empowers you to craft memorable moments.

Smarter Staffing

By optimizing order processing, enhancing payment handling, and maximizing table turnover, you'll unlock of operational efficiency that leads to 30-50% more efficiency.

White Glove Service

With smarter staffing, you can optimize food run times, adjust coursing, and increase order accuracy. Guests and staff are instantly updated with 86s or delays.

Elevating the Fine Dining Experience

Discover a new level of sophistication with GoTab's fine dining solutions. From the convenience of OpenTable integration to our All-In-One POS, we enhance every aspect of your restaurant's operations. The integrated Kitchen Display System (KDS) ensures service excellence from front- to back-of-house.

Pocket POS

Because technology should never interfere with the guest experience, the compact, sleek design of the Pocket POS is virtually transparent to your guests. Tableside orders and payment keep the focus on the experience, not the minutiae of ordering and paying.

All-In-One POS

The POS that centers the guest experience. Tabs stay with your guest within your four walls and offer a seamless payment experience. A powerful, customizable cloud-based system that brings together your FOH and BOH.

Responsive Kitchen Operations

The kitchen display system is where culinary expertise meets process engineering, offering features like smart preparation, order batching, and plating guides. Empower kitchen staff with auditable 86'ing, comping, and voiding, while providing managers full transparency.

Real-Time Reporting, Full Transparency

Gain insights into your fine dining restaurant's performance with GoTab's indispensable Product Mix reports. Access daily sales and product mix summaries, drill down to view successful menu items and categories, and utilize reporting tools for comprehensive data.

NO LOCK IN CONTRACTS

Our platform offers the freedom to enhance guest experiences and streamline operations without restrictive contracts. With month-to-month agreements, GoTab puts the power in your hands.
