

Food Halls, vibrant social hubs offering a diverse array of culinary experiences, find an ideal ally in GoTab. Our unique features seamlessly align with the Food Hall business model, making us the choice for some of the most successful operators nationwide. With a commitment to bringing operators' visions to life, our fully customizable system, extensive suite of devices, library of integrations, and cloud-based API empower you to deliver unparalleled guest experiences effortlessly.

Real-Time Vendor Data

GoTab empowers you to efficiently manage setup and performance of each vendor to ensure confident decision-making for crucial business operations.

Ordering Excellence

GoTab streamlines your service by offering a user-friendly mobile ordering experience with curated menus and deploying self-service kiosks for efficient high-volume operations.

All Orders in a Single Cart

Guests can seamlessly order from multiple vendors in a single transaction, eliminating the need for numerous waits in line.

Flawless Dining and Entertainment

As a cutting-edge hospitality commerce platform, GoTab seamlessly integrates technology to elevate operations for food halls and entertainment venues. Say goodbye to long lines and multiple transactions—GoTab streamlines the entire diner journey, allowing customers to effortlessly browse menus, place orders, and make payments at their own pace. Beyond ordering and payments, GoTab empowers operators with real-time analytics, inventory management, and marketing tools to drive business growth.

Streamlined Operations

By streamlining operations, encouraging exploration of diverse offerings, and allowing guests to drive their own experience, GoTab enables Food Hall patrons to create the exceptional experiences they seek, fostering connection and satisfaction.

Boost Sales

Happy guests become regulars, increasing revenue and building your client base. GoTab's guest-driven platform has shown a 43% increase in check spending, as customers order more items and additional rounds when they have complete control of the ordering and payment process.

Save Your Team Time

GoTab is not only guest-friendly but also staff-friendly. Our intuitive platform enhances service and efficiency, making operations virtually hassle-free. Features like text notifications on fulfillment keep guests informed, ensuring a smooth process for both staff and patrons.

Easily Measure Success

GoTab's Manager Dashboard simplifies the analysis of daily sales numbers and vendor earnings, offering insights into guest preferences and item popularity. Easily measure success, refine strategies, and provide an exceptional Food Hall experience.

NO LOCK IN CONTRACTS

Our platform offers the freedom to enhance guest experiences and streamline operations without restrictive contracts. With month-to-month agreements, GoTab puts the power in your hands.
