

GoTab iOS Capabilities

GoTab introduces advanced iOS payment capabilities, enabling operators to use their existing hardware—whether iPhone, iPad, or any internet-connected device—for seamless payment processing. This update provides a cost-effective, flexible solution that enhances operational efficiency while delivering superior guest experiences. GoTab's platform is fully compatible with Windows, iOS, and Android devices, ensuring operators can maximize their current systems without the need for additional investments.

Complete Flexibility

Use GoTab's advanced payment capabilities on any existing hardware, from iPhones to Android devices.

Effortless Integration

Seamlessly onboard GoTab's solutions without the need for new equipment, saving both time and money with our cloud-based system.

Maximize Your Budget

Redirect savings from hardware costs into areas that directly impact guest satisfaction and business growth.

Powering Efficiency with Existing Hardware

GoTab's flexible solutions allow you to utilize your existing hardware, cutting down on upfront costs. This means you can upgrade your technology and streamline your operations without the financial burden of purchasing new equipment. Focus your resources on what truly matters—delivering exceptional guest experiences and driving business growth—while enjoying a quick return on investment with GoTab's cost-effective platform.

Use Existing Hardware

GoTab's platform works seamlessly on the devices you already own, saving you from costly new purchases.

Focus on Growth

With lower upfront costs, you can allocate more resources to enhancing guest experiences and expanding your business.

Flexible, Cost-Effective Setup

Easily implement GoTab's solutions without the need for expensive upgrades, keeping your operations lean and efficient.

Quick ROI

By reducing initial expenses, GoTab helps you achieve a faster return on investment while improving overall efficiency.

NO LOCK IN CONTRACTS

Our platform offers the freedom to enhance guest experiences and streamline operations without restrictive contracts. With month-to-month agreements, GoTab puts the power in your hands.
