GoTab Marketplace

GoTab Marketplace gives your merchants everything they need to run their business; we do all the work. With a single system to run your operations, you can stop wasting time and effort with multiple, disparate systems. Marketplace merchants get full control of their menu set-up. Guests can order as much as they please, from any merchant, with a single, integrated checkout process.

Simplified Accounting
Save accountants countless hours.

Automatic Remittances
Make deposits seamless for you and your merchants.

Increased Revenue
Experience increased check averages.

Streamline Ordering from Multiple Merchants with "Amazon-Like" Simplicity

With GoTab Marketplace, food halls, resorts, hotels, breweries, restaurants and other multi-merchant hospitality concepts receive an all-in-one marketplace solution that helps merchants sell more with frictionless ordering and payment and gives you the flexibility to easily launch new merchants with minimal effort.

Ordering Simplicity
Effortlessly access all menus through a single mobile experience, kiosk, or order counter, seamlessly integrated with the merchant(s) POS system.

Revenue, Tip Sharing, and Payouts
Automated revenue sharing, tip allocation, individual payouts, and real-time reporting allow convenient access to sales and tab data for each merchant.

Pay & Enjoy
Manage all orders on a single tab and submit one payment for all orders, regardless of the vendor selected.

Cost- Effective Solution
No expensive monthly system costs required, with no lock-in contracts and best in class integrations.

NO LOCK IN CONTRACTS

Our platform offers the freedom to enhance guest experiences and streamline operations without restrictive contracts. With month-to-month agreements, GoTab puts the power in your hands.
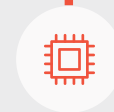

Data
It's yours

Hardware
Run on a tablet, pc, phone, it's up to you; our software runs seamlessly on iOS, Windows and Android platforms

Payment Processor
No one-size-fits all solutions here
