GoTab Online Ordering

Take control of your online ordering and boost your profit margins with GoTab. Our solution allows you to eliminate third-party commissions by seamlessly accepting orders directly from your website, social media channels, email, or any other platform where you interact with your guests. Experience the freedom and increased profitability that comes with managing your own online ordering system.

Increase Profit Margins
Eliminate third-party commissions.

Enhance Loyalty
Turn first-time guests into repeat, long-term customers.

Manage Anywhere
Make real-time updates to inventory and menus.

Convenience Without Compromise

Empower your restaurant with GoTab's customizable menus, data ownership for stronger guest relationships, and streamlined operations for enhanced efficiency and cost savings. Transform your restaurant's performance and profitability with GoTab's advanced features.

Branded Menus
Create beautifully branded online menus with images, logos, colors and custom add-ons.

Real-Time Updates
Enjoy flexibility and control over how your guests experience your menu. Set up daily, seasonal, and special event menus based on your business needs.

Keep Them Coming Back
Obtain first-party data to create a MugClub, offer specialty menus, or create coupons for your loyal guests.

Payment Flexibility
Seamless check closure and settlement with features like Apple Pay, shared tabs, and more.

NO LOCK IN CONTRACTS

Our platform offers the freedom to enhance guest experiences and streamline operations without restrictive contracts. With month-to-month agreements, GoTab puts the power in your hands.
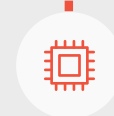

Data
It's yours

Hardware
Run on a tablet, pc, phone, it's up to you; our software runs seamlessly on iOS, Windows and Android platforms

Payment Processor
No one-size-fits all solutions here
