

FEATURE HIGHLIGHT

Third Party Order Aggregation

A Single Place to Manage All Your Marketplace Orders

- ✓ Synchronize your menus with various marketplaces, adjusting items, choices, prices, and extra information from a central location for a low monthly fee.
- ✓ Start accepting new marketplace orders in just minutes, rather than days or weeks, with GoTab's fast and efficient onboarding procedure.
- ✓ Simple, yet powerful, user experience that leverages GoTab's native features for 86'ing menu items and modifiers or updating inventory levels.
