GoTab All-in-One POS

Our suite of POS solutions seamlessly integrate into your establishment, creating a dynamic environment where every aspect of service is optimized for your guests. Whether you're serving customers for dine-in, on the patio, for takeout, or at special events, GoTab empowers you to take control and set a new standard for modern hospitality excellence.

Faster Turn Times
Optimize food run times, order accuracy, and guest satisfaction. Guests and staff are instantly updated with 86s or delays.

Guest-Centric Technology
Guests can add to server initiated tabs and close out at their own pace. Fewer errors, higher checks, better experience.

Smarter Staffing
Improve employee productivity and create a more seamless and cost-effective operation with 30-50% more labor efficiency.

Faster. Smarter. More Profitable

The GoTab POS, Mobile Ordering and Payment, and KDS put you in control of your shift. The the best part? With access to the best-in-class technology ecosystem, and an award-winning support team, we can get you up and running immediately.

Easy Tab
With just a tap of a card and a phone number, your servers can seamlessly share open tabs with guests.

Advanced Reporting
Key reporting including Product Mix, Sales, and Promotion data to support smart, fast decision making, all available in real-time right from your phone.

Your Service, Your Way
GoTab gives restaurant managers the flexibility to run their operation the way that works best for their venue: high-touch, self-service, or a hybrid of the two. With this flexibility, we find our operators are far more cost efficient with regard to labor and produce higher than average sales per labor hour.

Responsive Kitchen Operations
The kitchen display system combines process engineering and culinary expertise, offering features like smart preparation, order batching, and plating guides. Empower kitchen staff with auditable 86'ing, comping, and voiding, while providing managers full transparency.

NO LOCK IN CONTRACTS

Our platform offers the freedom to enhance guest experiences and streamline operations without restrictive contracts. With month-to-month agreements, GoTab puts the power in your hands.
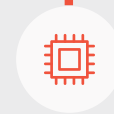

Data
It's yours

Hardware
Run on a tablet, pc, phone, it's up to you; our software runs seamlessly on iOS, Windows and Android platforms

Payment Processor
No one-size-fits all solutions here
